

Advanced Sports & Spine

Important Health Notice:

Advanced Sports & Spine PLLC is committed to the safety and care of our patients and staff. We are highly focused on the growing concerns regarding the COVID-19 virus (Coronavirus). Our practice has always taken great measures to implement the highest standards related to infection control, sterilization policies, and communication. We are now also taking extra steps to ensure that our office environments have clean surfaces, and we are continuing monitoring all guidelines provided by the Centers for Disease Control and Prevention (CDC) in regards to the Coronavirus.

For the safety of our patients and staff, we are asking all patients help reduce the potential spread of the COVID-19 virus by regularly washing their hands and avoiding contact with those who are showing signs of illness. In addition, if you feel unwell, show any signs of illness, have a fever, have had potential exposure to the Coronavirus, or have been out of the country recently, we ask that you contact our office immediately to reschedule your appointment. We will make every effort to offer your next appointment to you in a timely manner.

We are also encouraging patients to limit the number of visitors they bring to an appointment to one person.

We are sorry for any inconvenience and sincerely appreciate your support with these safety guidelines.

Thank you

The Doctors and Staff of Advanced Sports & Spine
